

**Table 3: Agents Eligible for Administration and Monitoring During Interfacility Transport**

EMCT's are authorized to administer, and monitor medications through their administrative medical director's delegated authority during interfacility transports. The Medical Direction Commission periodically reviews the following list of medications and will make recommendations for changes that the Director of the Arizona Department of Health Services must then approve.

The following list represents the most recent iteration of the Director approved interfacility transport medication list. Administrative Medical Directors may authorize EMCTs operating under their delegated medical authority to administer any or all of medications from this list below consistent with the EMCT's certification level during an interfacility transport.

**KEY:**

TA = Transport agent for an EMCT with the specified certification
